STEVEN'S SELECTION OF INTEREST HERE

Washington Architects Approve Appointment of New Yorker as Director of American Academy.

rector of American Academy.

Washington architects have received with great interest the announcement of the appointment of Gorham Phillips Stevens, of New York, as director of the American Academy of Art in Rome, a position recently made vacant by the resignation of Frederick Crowninsheld.

Although yet a comparatively young man, Mr. Stevens is well known throughness, the Stevens is well known throughness, the Stevens is well known throughness, and of the transfer of the product of Technology in 188, and then spent five years abroad studying the architecture of the Old World. Since 186 he has been associated with the firm of McKim, Mend & White, architects, of New York City.

The American Academy in Rome was

ture of the Old World. Since 1965 he has been associated with the firm of McKim, Mead & White, architects, of New York City.

The American Academy in Rome was the subject of an address by George-Oakley Totete, is, architect, of this city, at the unith international congress of architects, held in Rome last October. Mr. Totten, who attended the congress as the official delegate from the United States government, had served in this respective at several other meetings of the Tote American Academy was established in 1884, chartered by the State of New York in 1897, and insteperated by the Octobers in 1897, and instep octobers in 1897, and insteperated by the Octobers in 1897, and instead of Charles F. McKim and his friends. Supported by private contributions, it has no connection whatever with the United States, of Hallimore, purebased the Villa Miranding of Hallimore, purebased the Villa Miranding the large and beautiful gardens which sufficient with the United States. He conditions the Instead of the academy are chosen by competitive examinations for misle candidates, which will shortly occupy this new site.

According to the present arrangement, students of the academy are chosen by competitive examinations certifying to the order of the Instead States. They misst present diplomas certifying to cortain courses of study. Tires students are thus selected every year, one self-for the subjects of painting, sculpture, and architecture. The
